

June 4, 2021.

Assalaamu Alaykum, dear students and parents.

Welcome to NHA's Summer 2021 Hifz Program!

In order to ensure the best virtual learning experience, we kindly request that you observe the following program guidelines during the summer Zoom group classes...

- Students are expected to start and end class promptly during their assigned time slot
- Parents are expected to supervise their children while they use electronic devices for class (e.g., smartphones, tablets, laptops, etc.)
- Students are expected to have their video/camera turned on during the entire duration of class
- There will be one or more short break(s) during each time slot (to be determined mutually between the students and their teacher during the first week of the summer session)
- Parents are *strongly encouraged* to provide weekly feedback about their child's progress and class experience to their respective teacher throughout the summer session
- Please direct all administrative questions (e.g., enrollment status, billing cycle, etc.) to NHA's administrator, Sr. Sana Alhakim, at sana.alhakim@mcabayarea.org
- General inquiries may be sent to the NHA Committee at hifzschool@mcabayarea.org

Happy memorizing,

NHA Committee & Staff
