MCA Executive Board Call Notes

MCA Parking and Towing Policy

1. All vehicles must be parked in designated parking spaces. DO NOT park in the RESERVED parking spot designated for Imam, cafeteria manager, masjid and school staff, etc.
2. DO NOT park in a handicap parking space if you or your passenger do not hold a permit, Disabled Person (DP) placard or DP License Plates. If parking adjacent to a handicap space, be sure you do not park on or obstruct the striped aisles. A disabled placard does not entitle a person to park in the striped areas next to disabled spaces (which are preserved to allow wheelchair access to the adjacent space).
 - o The primary goal of the handicapped parking space law is to provide for the safe, convenient and comfortable vehicular entrance and exit of those with disabilities. These individuals might have canes, walkers or wheelchairs that need more space for safe operation than a normal parking spot would.
 - o If you drive a handicapped person's car and that person is not in the car, you cannot park in the handicapped parking spot yourself.
 - o Do not park vehicles with Temporary disabilities placards conditions past the expiration date.
 - o Unauthorized vehicles parked in designated accessible spaces not displaying distinguishing placards or special license plates issued for persons with disabilities will be towed away at the vehicle owner's expense.
3. No blocking of other vehicles is allowed at any time. Anyone double parked will be towed.
4. Overnight Parking: There is no overnight parking at any of the MCA campuses including Al-Noor and liable to be towed at the vehicle owner's expense.
5. Fire Hydrant (CVC 22514) – State law prohibits parking within 15 feet of a fire hydrant, whether the adjacent curb is marked red or not. Park at least one car length away from fire hydrants.
6. DO NOT park in the RED Zone, FIRE lanes, No Parking zones, etc. Curb painted red shall indicate no stopping, standing or parking at any time, whether the vehicle is attended or unattended.
7. Vehicles may not block entrances/exits, park on or across a sidewalk or walkway intended for pedestrian travel.
8. Oversized vehicles. When parking spaces are delineated by pavement markings, vehicles must park within the designated markings. Do not park your vehicle if it does not fit the parking space markings as it is considered oversized vehicle. Oversized vehicles must be parked outside the MCA and Al-Noor campus.
